Indiana Ghost Trackers

Wednesday,
Oct. 17 at 6 PM

Mike McDowell, President and CEO of Indiana Ghost Trackers, INC. invites you to learn about haunted places, how the Ghost Trackers conduct their investigations, and the results of their many adventures in the world of the paranormal.

Mr. McDowell will discuss area hauntings through a Powerpoint presentation, video and photographs. Hear EVP (Electronic Voice Phenomena)!

Although this program is aimed toward adults, children and teens are also welcome to attend. Pre-register at the circulation desk or by calling the library at 696-7704.

MUFON Mutual UFO Network

Saturday, October 27 at 1 PM

UFOs continue to be a mystery of our times. The Indiana Chapter of Mutual UFO Network (MUFON) actively investigates UFO reports across Indiana. Learn more about the aspects and methods of research MUFON field investigators use to research these phenomena.

Stewart Hill, past Indiana MUFON State Director, Current State Section Director and field investigator, will speak on Indiana UFO events that have occurred over the years. He will cover key research and discoveries that illustrate the nature of the phenomena including Indiana's abduction regression program and the MUFON Omega Project.

Also, those interested in joining MUFON can also attend the morning session at 10:30 AM.

Frankenstein: The Graphic Novel

A personal book review by staff member Rob Bussie

Mary Shelly published *Frankenstein* in 1818. Over the years, the entertainment world has embraced this brilliant novel in many forms, including movies, plays, television shows, songs, artwork, and of course comic books. Many comic books and graphic novels have produced parodies of the character, *Frankenstein's Monster*, along with direct graphic adaptations of the story. One of the best to date is *Frankenstein: The Graphic Novel*, published by the Classical Comics Company. It is an unabridged version of the classic novel with moody artwork and stunning coloring, befitting the romanticism ideals of the story. This book is a perfect choice for 'twens through adults who want to read the original text enhanced by lavish artwork.
