What is hoopla? Hoopla is digital media service that allows you to borrow movies, music, audiobooks, ebooks, comics and TV shows to enjoy on your computer, tablet, or phone — even your TV! With no waiting, titles can be streamed immediately or downloaded to phones or tablets for offline enjoyment later. There are hundreds of thousands of titles to choose from with more being added daily. hoopla is like having your public library at your fingertips – anytime, anywhere.

How do I borrow and play titles? Download the app from either the Apple Store or Google Play. Before you are able to borrow, you will need to create a hoopla account. Setting up your account is easy! Enter your library card number and the pin number associated with your library card, then provide your email address and a log-in password.

Once you are signed in, you can borrow titles through your hoopla digital mobile app or the hoopla link on our website. Once you select a title, click on the “borrow” button on the title details page. Once a title is borrowed, it is accessible by clicking on “My hoopla” in your app. You can borrow up to 4 titles per month!

No library card? Getting a library card is easy too. Just bring in proof of residency (with your current address) and a photo ID.
