Let Your Imagination Take Flight!

Fly into the library and sign up for Summer Reading Club! Summer Reading officially begins on June 5 but you may start signing up on Tuesday, May 30. Flight is the theme this summer, with each elementary school represented by a different color owl. The eight week program is designed to encourage reading and to avoid the "summer slide". Children earn a trip to the treasure box for every five books they check out!

The following programs are for children, elementary school age and younger. There are two sessions for each summer activity – 10:30 AM and 1:30 PM. Children must be pre-registered and children 8 and under must be accompanied by an adult. Registration for these programs begins on May 30.
