June 2019

## Explore New Worlds READ!

Transport yourself into the library and sign up for Summer Reading Club! Summer Reading kicks off on June 10. This year you will create a rocket ship as you read. The eight week summer reading program is designed to encourage reading and to avoid the “summer slide”. Earn a trip to the treasure box for every five books you check out!

The following programs are for children from birth to those who have just completed the fourth grade. There are two sessions for each summer activity – 10:30 AM and 1:30 PM. Children must be pre-registered and children age eight and under must be accompanied by an adult. You may begin registering on June 3 for the reading program and for the first week of crafts but the treasure chest and recording of books are not available until June 10.

Tues. June 11 Flying Saucer  
Thurs. June 13 Solar Wreath  
Tues. June 18 Solar System Game

Thurs. June 20 Color Shape Bingo
