Thousands of artists, tens of thousands of albums, and hundreds of thousands of songs are available to registered cardholders of the Lowell Public Library and its Shelby and Schneider branches.

Through *Freegal*, a downloadable music service, the library can patrons access to the Sony Music Entertainment Catalog, that offers over one hundred genres of music without having to download special software or dealing with any digital rights management (DRM) issues. The content is based upon a license with Sony Music Entertainment, owner of fifty-four different music labels.

To access *Freegal*, pick up an application form at the library and turn it in at the circulation desk or download one from the library's website. Look for the *Freegal* link on the left side of the page. An email message will be sent your address within 24 hours of being registered.

Recycle!

Bring your unwanted books, paperbacks, books-on-tape, DVDs, CDs, audio cassettes and magazines, *in good condition*, to the library. . . we'll take them! (Sorry, but we can no longer accept VHS tapes.) We will recycle them for use in the library collection or place them in the Friends of the Library's book sale.

Call the library ahead of time if you are planning to donate a large amount of items at one time. While we know it is hard to throw things away, especially a book, please understand that we can only accept *clean* items in *sellable condition*. We have to pay to dispose of moldy and/or dirty items which can cause health risks and can spread to other surfaces in the library. We appreciate your understanding and continued support of the library!
