A “stomping good time” continues with Summer Reading Club now through August 6th. Dinosaurs are the theme this summer, with each elementary school represented by a different color dinosaur. The eight week program for children preschool age through the fifth grade is designed to encourage reading and to avoid the “summer slide”. Miss Cheryl has a lot of dino-mite crafts and fun activities planned for you!

There are two sessions for each summer activity – 10:30 AM and 1:30 PM, unless otherwise noted. Children must be pre-registered for each session and preschoolers must be accompanied by an adult.
