## What We Are Doing to Keep You Safe

- Masks are required and all social distancing guidelines should be followed. "Stand Here" X's have been placed throughout the library and plastic shields have been installed at our reference and circulation desks.
- Only 15 Patrons will be allowed in the library at one time and for no longer than 30 minutes. Tutoring/small group space is not available.
- Print/Copy/Scan/Fax services will be available, however due to social distancing guidelines, they are self-service only.
- Computer usage is limited to 1/2 hour and machines are sanitized between use. Staff cannot provide "over the shoulder" assistance as we will be maintaining recommended distancing. Please bring someone with you if you think you will need technical help.
- Curbside service is still available by request.
- No donations can be accepted at this time. Please do not leave donations outside our doors.
- All materials must be returned to the OUTSIDE book drop only. Items are quarantined before being put back into circulation.
- Because of limited staff, it is not possible to ensure that bathrooms and other common surface areas are sanitized at all times; please act accordingly.
- All programs for children, teens, and adults will continue to be enjoyed virtually. Subscribe to our YouTube channel!
- Study and meeting rooms and some furniture will not be available to reduce the spread of COVID-19. Remaining furniture has been rearranged to promote social distancing.

We appreciate the public's patience during this time as we restore library service in varying stages. We look forward to welcoming the community back into our buildings and also to the day when we can restore full operations safely.

## Wonder Woman to Lasso Up Library Card Sign-up Month 2020

This September, DC's Wonder Woman is embarking on a new mission to champion the power of a library card as Library Card Sign-up Month Honorary Chair. A founding member of the Justice League, Wonder Woman is known for strength, compassion and truth. Armed with the Lasso of Truth, Wonder Woman makes a perfect ambassador to support the value of learning and the role libraries play in transforming lives and strengthening communities through education.

Getting a library card is easy. Present your photo ID with your current address to the circulation desk. Then enjoy the benefits of being a library card holder. Check out DVDs, CDs, books, books on CD, and magazines. If we don't have what you need, we will do our best to get it for you.

Requesting a Lowell Public Library e-Card online allows access to all of our digital material. An e-Card will not permit you to check out physical items, however, you can upgrade to a full service card at your nearest Lowell Public Library branch. If you currently have a valid library card, you already have access to all of our digital collections!

Our digital collection is available at our website at <http://www.lowellpl.lib.in.us>. From there you can download music from *FREEGAL*, e-books, magazines and audiobooks through *Overdrive*, *ABC Audio Books* and *Hoopla*. Kids can enjoy e-books and videos *Tumble Book Kids*.

In addition to our streaming services, your library card grants you access to many databases including *Ancestry Library Edition*, *MANGO Languages*, *World Book Online* (Early Learning, Kids, Student, and Timelines), *Merck Medical Manuals*, and other valuable research resources.

While you're at our website, sign up for *WOWBRARY* and receive our free weekly email about the newest books, movies, and music at the library. You can even link directly to both our *Facebook* page (LIKE US!) and subscribe to our *YouTube* channel from our website!

A library card is so valuable-sign up for your FREE card today and check out all that the library offers!

Fans can learn more about Wonder Woman at [DCcomics.com](http://DCcomics.com). Since her introduction in October 1941 in *All-Star Comics* #8, Wonder Woman has graced comics, video games, headlined her own television show and feature films, and appears in the hit animated series "DC Super Hero Girls" on Cartoon Network and Netflix.
